

Free farm visits

Bring your group to our farm for a hands-on, engaging & educational adventure exploring our 55 acres of tended land in the Teign Valley, Devon.

We will visit

- pigs, sheep & chickens (and feed them)
- trees ranging from 1-750 years old
- wildlife ponds
- vegetable & fruit gardens
- Mediterranean zone & poly tunnels

EY & KS1:

- Animal life cycles
- Empathy & respect for living creatures & nature
- Understanding seasons
- How weather affects plants & animals

Bring abstract science & geography concepts to life through real observation and enquiry.

KS2:

- Habitats & adaptation, food chains
- Geographical land use & farm ecosystems
- Human modification of landscape
- How weather affects agriculture globally
- Sustainability discussions - food miles, seasonal foods, water use & water cycles
